Children's and Young Adult Literature and Culture Feb 19 2022 This collection of essays explores a wealth of topics in children's and young adult literature and culture. Contributions about picture-books include analyses of variants of the folktale "The Little Red Hen" and bullying. Race and gender are explored in essays about picture-books featuring children as consumable objects, about books focused on African American female athletes, and about young adult dystopian fiction. Gender itself is further explored in articles about *Monster High*, Joyce Carol Oates's *Beasts*, and *The Hunger Games* and *Divergent*. Essays about fantasy literature include an exploration of

environmentalism in Rick Riordan's *The Heroes of Olympus*, a discussion of Severus Snape as a Judas figure, an explication of Chapter 5 of *The Hobbit*, and an analysis of ghosts and nationalism in Eva Ibbotson's *The Haunting of Granite Falls*. An essay about *Horrible Histories* explores television, genre, and the way history is coded. Other contributions explore how teaching literature to reluctant readers can be effective through multimodal texts and how *Harry Potter* has played a role in the popularity of young adult literature for adult readers.

A Case for Teaching Literature in the Secondary School Apr 11 2021 Taking a close look at the forces that affect English education in schools—at the ways literature, cognitive science, the privileging of the STEM disciplines, and current educational policies are connected—this timely book counters with a strong argument for the importance of

continuing to teach literature in middle and secondary classrooms. The case is made through critical examination of the ongoing "culture wars" between the humanities and the sciences, recent research in cognitive literary studies demonstrating the power of narrative reading, and an analysis of educational trends that have marginalized literature teaching in the U.S., including standards-based and scripted curricula. The book is distinctive in presenting both a synthesis of arguments for literary study in the middle and high school and sample lesson plans from practicing teachers exemplifying how literature can positively influence adolescents' intellectual, emotional, and social selves.

Amontillado Nov 30 2022

"Call me Fortunato. You won't be the first." So begins Amontillado, a unique tale of lust, infidelity, and murder. From rainy street corners to candlelit bookstores to hidden tunnels deep below a nameless city, you'll be transported to a surreal world in which motives are mysterious, intentions are unclear, emotions wreak havoc, and one person's desire for adventure will lead everyone down a dangerous path. Jacob Lyons is a writer, a drunk, and a bad husband, but he is no murderer. After an unfortunate encounter on a thunderous

street corner, he finds himself surrounded by hostile detectives accusing him of being exactly that. Daniel Jefferson is Jacob's only friend. Despite problems of his own, he is determined to help Jacob overcome the downward spiral of a crumbling life, but he can't foresee the trouble that awaits. Breeana is a book lover who escapes her tired marriage by attending literary discussions and book club gatherings. One stormy night, when the electricity fails and her group discusses The Cask of Amontillado by Edgar Allan Poe, she meets an intriguing newcomer who ignites her passions and offers the adventure she desires. That intriguing newcomer is the witty and mysterious Marcus McComber, a man with a dark past and darker intentions. He will tell the tale of his romantic conquests to the fellow who sits beside him every night at the local tavern: the writer, the drunk, the accused murderer named Jacob Lyons. Amontillado is a circular experiment in repressed desire,

unrequited love, uncontrollable passion, and the need for control, all mixed with the inexplicable evils of human nature that each can inspire. In the macabre tradition of Edgar Allan Poe himself, the story propels itself to a stunning conclusion, begging you to answer one simple question: Who kills who?

Revenge Jun 25 2022 This title examines the theme of revenge in Hamlet, Othello, True Grit, The Princess Bride, and "The Cask of Amontillado." It features four analysis papers that consider the revenge theme, each using different critical lenses, writing techniques, or aspects of the theme. Critical thinking questions, sidebars highlighting and explaining each thesis and argument, and other possible approaches for analysis help students understand the mechanics of essay writing. Features include a glossary, references, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential
