*The Earth Stories Collection* Sep 16 2021 *The Earth Stories Collection is a global project consisting of a repository of myths, legends, fables, and folktales from all cultures on the planet, stories capable of conveying a systemic worldview and illustrating the ethical principles and values of the Earth Charter. It is inspired by the Svalbard Global Seed Vault in Norway, an agricultural seed bank where seeds from all regions of the planet are preserved as a food guarantee for humanity in the face of the possibility of a global crisis or disaster. In this sense, The Earth Stories Collection would become a cultural seed bank, a base of global educational resources for the construction -or reconstruction- of a deeply sustainable global society, based on social and economic justice, and values of peace and democracy; that is, the values of the Earth Charter. The Earth Stories Collection is an initiative launched by The Avalon Project - Initiative for a Culture of Peace, in collaboration with the Secretariat of Earth Charter International and the Scottish International Storytelling Festival. In this book you will find the first installment of 45 myths, legends and folktales from around the world capable of transmitting a systemic and ecocentric worldview, as well as the principles and values of the Earth Charter. But you will also find, in the first half of the book, the theoretical and scientific justification that has given rise to the Collection.*

*The Book of Magic Mar 23 2022 A new anthology celebrating the witches and sorcerers of epic fantasy—featuring stories by George R. R. Martin, Scott Lynch, Megan Lindholm, and many others! Figures of wisdom and power, possessing arcane, often forbidden knowledge, wizards and sorcerers are shaped—or misshaped—by the potent magic they seek to wield. Yet though their abilities may be godlike, these men and women remain human—some might say all too human. Such is their curse. And their glory. In these pages, seventeen of today’s top fantasy writers—including award-winners Elizabeth Bear, John Crowley, Kate Elliott, K. J. Parker, Tim Powers, and Liz Williams—cast wondrous spells that thrillingly evoke the mysterious, awesome, and at times downright terrifying worlds where magic reigns supreme: worlds as far away as forever, and as near as next door. From a soaring Babylonian tower that connects a flat Earth with the firmament above, to a world where angelic visitations are a wondrous and terrifying part of everyday life; from a neural modification that eliminates the appeal of physical beauty, to an alien language that challenges our very perception of time and reality, Chiang's rigorously imagined fantasias invite us to question our understanding of the universe and our place in it. *Down The Road Again* Dec 20 2021 *Down The Road Again* is Author Michael Keyser's fifth published book featuring 14 short fictional stories. If the definition of fiction is experience shaped by imagination, then many of

*these short stories are mostly derived from experience. They have been tucked away deep in my memory. Some of the stories are based almost completely on imagination. The events portrayed never happened to this writer. These stories were the most enjoyable to write because there's no emotion incurred in the recall of the events. This writer believes that all short stories should proffer some guidance to our journey through this life. No preaching, but a conclusion, hopefully subtle, that may aid in our comprehension. Here are a few in this collection: The Biblical dictum of "render unto Caesar...." The characters are compelled by greed and a thirst for adventure. An accurate portrayal of what happens in a religious environment with no financial controls on minister and his spending. A decent man, suffering from hubris, who made mistake after mistake, then the fatal one. The rescue of a business relationship demonstrates the power of an organization when its talent is properly managed. Extreme risk will usually carry an extreme penalty. Occasionally arrogance in politics is identified and dealt with. Taking a principled stand is difficult if pursued alone. I hope you enjoy reading these short stories as much as I did in writing them. Michael J. Keyser 2016 A.D.*
