Can't wait to start part 2! — C.J Hearing about an account executive position at Collins Enterprises with a \$75,000 base salary, Rebecca D'Angelo is eager to apply. Putting together a stunning portfolio and an impressive résumé, she marches herself directly down to the office. When she reaches the building, a notice on the front door catches her eye. DEADLINE - Résumés for the Account Executive position must be received no later than 10 am this morning. She checks her phone - 9:51 am. Panicking, she darts toward the information desk. At first, Rebecca has no idea what she's run into - a moving brick wall? Crashing to the floor, her latte and portfolio launch into the air. Her first thought - thankfully, my documents are in a protective cover. Then a set of large hands wrap around her arms and a deep rumbling voice echoes above. "Jesus Christ! His beautiful cobalt blue eyes shine like stars against a perfect bronze tan, emphasized by neatly combed black hair that flawlessly tapers to meet a designer beard. Though, today's interview will be conducted by the one and only — Aiden Collins himself. Yep. That's right. That means her fate at Collins Enterprises now lies solely in his hands. On the

bright side, it's been three weeks since the latte incident, and after all, she has made it this far. That must mean he's forgotten. Right? — I absolutely love this book!!! A man known by many names and admired by all. But most didn't know he was ruthless, conniving, and always got what he wanted. No matter the cost. I was a good girl. Never in trouble with the law. Never took drugs. Always did precisely what

was expected of me. Even with his hand around my throat and words that cut sharper than knives, I couldn't help but wonder what happened to this beautiful man to make him that way. That wonder disappeared when he threatened to kill my sister if I didn't follow his dark demands. The good girl I once knew had now been buried alive beneath this game of hatred and lust. Every time Alora goes to sleep, she wakes up on another world, a magical world, a world that's about to collide with Earth in a very big way. Alora's the only person with the power save them both, only, she's not sure she should. Alora's life has been anything but magical. Since her parents died, she and her brother have been on the run from a creepy, doggedly determined social worker. In a few more months she turns eighteen, but until then, they're stuck hiding. It's hardly surprising that she dreams every single night of another world, Terra, where she possesses telekinetic powers. What Alora can't explain is how, when she breaks her arm in her dreams, she wakes up with the same (very real) injury on Earth. And if her dreams aren't real, shouldn't they be more fun? Since only men on Terra are supposed to be able to move things with their minds, Alora spends all her time there hiding her powers. But when her best friend on Terra is threatened, Alora uses her powers to save him, inadvertently killing the attacker. The next day on Earth, the exact same man she killed on Terra walks into her workplace. . . and drops dead. Suddenly, she's being hunted in both places. Alora must discover how Earth and Terra are connected and how far she'll go to save a world that may not deserve to be saved. [Awards] 2021 IAN Book of the Year, Fantasy 2021 Publisher's Weekly BookLife Prize Quarter Finalist 2021 Readers' Favorite Urban Fantasy Winner 2021 Whitney Award Nominee [Trade Reviews] Kirkus said, "The author's worldbuilding is astute and unobtrusive. The fantasy series opener finds its rhythm early and then breezes along, keeping readers enthralled. [This] novel is a winner. YA and new-adult readers will take Alora as their own and thrill to the thought of a sequel. An absorbing meld of secondary-world and urban fantasy." "The best part of [Anchored] was the non-stop, action-packed, exciting plot. All I can say is, Bridget E. Baker, where have you been all my life? I can't believe this is her only book that I have read. I will most definitely be reading more of her work. This book has it all: suspense, mystery, love, action, romance, war, you name it. And it is all perfectly combined to produce the perfect story and the perfect beginning to what I know will be a fantastic series," -Readers' Favorite "Wow,

this book is intense. It takes hold and doesn't let go. Fast-paced writing, an awesome storyline, and ridiculously fun world-building make this a new favorite of the year. Plus, Egyptian mythology! A must-read for fantasy lovers," -USA Today Bestselling author, M. Lynn "Anchored is a fast paced, fantasy adventure with a strong heroine. I have no idea how Bridget did it, but she tangled reality and dream fantasy together effortlessly. This is one of those books you will go back and read again and again! I cannot wait for book 2," -USA Today Bestselling author, J.A. Culican "I picked this book up for the breathtaking cover, but I stayed for the fascinating story. I can honestly say I've never read anything quite like this. Usually it takes me a while to connect with a narrator, but I found myself rooting for this funny, self-deprecating protagonist from the first page. Top that off with a story that's solid and compelling, and a twisty plot that pulls at your heartstrings every step of the way, and you've got five amazing stars! My only complaint is that I can't binge read the rest of the series yet!" -USA Today Bestselling Author, Robin D. Mahle "This action-packed novel is a dose of both fantasy and reality. The writing is infectious, jam-packed with emotion, and the tangling of two worlds--the real and the dream--is masterfully done. Anchored is a book not to be missed," -USA Today Bestselling Author, Courtney Pearson "What a fascinating and intriguing urban fantasy read! The characters are beautifully developed, even those only briefly in the story. The angsty dramatic protagonist, Alora, even with all her deep seated problems and issues, remains likable. And there is one constant for Alora--her strong bond to her brother Jesse. Even though her future is supposed to be destined, Alora wants to lead her own life and not be dictated to. This is a wonderful story of different worlds and strong family ties told superbly!" In D'Tale Magazine Publisher's Weekly said, "A gripping, action-packed novel, Anchored holds readers captive and simply won't let go. Baker provides just enough detail and an intriguing premise to keep the reader hooked, revealing answers at exactly the right pace. Baker is an extraordinary writer. Her prose engages, seemingly flowing organically, whether descriptive, action-focused, or dialogue. She is clearly in command of her craft and does a superb job of advancing the plot while providing explanations in measured doses. The premise here is not only the right blend of imagination, mystery, and hold-your-breath action but is entirely unique and leaves the reader wanting more. Baker has created living, breathing characters who, despite the different world presented here and the unique powers the protagonist possesses, are still authentic and relatable. This book is a 10 out of 10."
