This book will provide you with all the information you need to bring joy to yourself and others as you bring puppets to life. It was written by Lynne Edwards, a Performing Arts teacher who has used puppets

in her classroom for over 30 years, performing with them and teaching puppeteering to her students. This simple guide is suitable for teachers, youth workers and children alike. You will learn that successful puppeteering is fun and achievable by anyone and is a wonderfully rewarding hobby or teaching aid. From the French meaning "Little Mary," marionettes have been used since the Middle Ages in puppet performances. One of the first figures to be made into a marionette was the Virgin Mary, hence the name. In the 18th century, many operas were written specifically for an all-marionette cast and the puppets became popular playthings in the 1800s. Puppetry is an old and respected art form but it is also just plain fun. This book presents dozens of original patterns for a particular kind of puppet--those made from paper sacks. Those brown (or white) paper bags generations of students have used to tote lunch to school prove to be an inexpensive base on which to create puppets that can be used to teach as well as entertain. Along with the patterns are related activities, music, poems, book lists, and games. Chock full of great ideas and clear instructions, the book will become a valuable resource for teachers, librarians, and parents. Provides simple instructions for making a sock puppet. Includes notes for teachers. Suggested level: junior. Presents numerous ways of making puppets, and ideas for using these to develop speaking and listening skills with young children. These darling little fellows are destined to become cherished favorites. Each cute finger puppet is modeled on popular kids' characters and everyday figures that are easy to make! Perfect for creating fun puppets for kids of all ages Includes instructions for three collections: Christmas at the North Pole, Under the Big Top, and the Enchanted Forest All you need to create these adorable finger puppets is a basic knowledge of knitting Discusses puppets, puppet stages, props, scenery, and performance techniques, and shares plays with folklore, holiday, and library themes Describes ways to use puppets to introduce books, lead songs, and tell stories, and suggests group activities An expert conducts readers through every stage of the puppeteer's art, including how to construct several types of puppets, developing distinctive voices for characters, and translating human body language into puppet movement. Other chapters focus on designing stages, writing and adapting plays, directing productions, and performance-related tips. Over 150 black-and-white illustrations. This delightful collection of easy-to-make puppets will be a boon to all parents, teachers and entertainers of children. The puppets are based on an ordinary household-size matchbox which enables them to have

opening mouths. The pages are designed to photocopy on to A4 card, cut out and colour as fancy takes. With a choice of some sixty different characters there is something for all ages and abilities in these simple but clever constructions. The collection varies widely from a simple flower to the Minotaur, a whale to Henry VIII, octopus to Roman emperor, and a selection of characters which can be topical at different periods of the year - turnip lantern, Easter bunny, scarecrow, Father Christmas etc. The puppets have been designed by Alan and Brenda Stockwell who for over forty years toured primary schools throughout the UK and abroad with their educational puppet show conducting many puppet-making workshops for teachers. Now retired, they are placing their expertise in the hands of future generations. In 2000 Alan Stockwell was awarded an MBE for services to education, a rare honour for a professional puppeteer. Puppets are one of the greatest objects of entertainment. Puppets were first introduced in Greece to replace the supporting actors in the theater to reduce the cost of staging the show. Now puppet shows are widely used to communicate various matters to the society and also as an educational tool for kids. Kids as well as adults around the world enjoy puppet shows. There are puppets patterned as animals, birds, humans, etc. There are simple to complex puppets used for different purposes. The simplest form of puppets are the hand puppets. It is easy to make different forms of puppets using paint, markers, papers, fabric pieces, glue, beads, and buttons or any other material. The different types of puppets are sock puppets, paper plate puppets, paper cup puppet, Popsicle stick puppet, spoon puppet, fabric puppet, string puppet, etc. You can use your imagination to create the best puppets for entertainment. Children are usually fascinated by the puppet shows and they love to play with puppets. It is easy to make the information

reach the children using the puppets. Children can be educated through the use of puppets without even making them aware that they are learning. Puppetry provides a visual learning experience for children as well as for adults. Animal puppets are liked by very small children especially. Creating puppets using soft materials like socks, felt, and wool will make them comfortable for the children to handle and play. Here are the guidelines for making some easy puppets that children will love to play with. This is an easy-to-follow instruction book on how to create puppets of all kinds with all sorts of mediums. Turn an empty cereal box into a friendly hippopotamus, a paper plate into a dancing dandelion, a sock into a snake, a glove into an entire family. Each of the more than twenty types of puppet in this colorful cast of characters can be made with materials easily found around the house. Use toilet-paper rolls and paper-towel tubes, empty cardboard juice cans and juice boxes, wooden spoons and thread spools, old socks and fabric scraps, paper bags, Popsicle sticks, egg cartons, drinking straws, construction paper, yarn, magazines, and much more. Make hand puppets, finger puppets, marionettes, jumping puppets, papier-mache puppets and other fun friends. Decorate a puppet stage and put on a show. Easy-to-follow instructions, helpful tips, and imaginative suggestions encourage kids to explore their creativity. Any type of creature can be made: a wiggly caterpillar or ferocious dragon, silly two-faced tube heads, jiggling gymnasts, a wacky carrot critter or banana buddy-the possibilities are endless.
