Labeled a traitor and abandoned by his own people in the land of his enemies, Aldric Talvalin, an Alban high clan-lord, in order to restore his honor, embarks on a perilous journey with the help of some powerful allies to the dark city Drakksborg, where he will confront the dreaded Warlord. Original. Why did the Vikings sail to England? Were they indiscriminate raiders, motivated solely by bloodlust and plunder? One narrative, the stereotypical one, might have it so. But locked away in the buried history of the British Isles are other, far richer and more nuanced, stories; and these hidden tales paint a picture very different from the ferocious pillagers of popular repute. Eleanor Parker here unlocks secrets that point to more complex motivations within the marauding army that in the late ninth century voyaged to the

shores of eastern England in its sleek, dragon-prowed longships. Exploring legends from forgotten medieval texts, and across the varied Anglo-Saxon regions, she depicts Vikings who came not just to raid but also to settle personal feuds, intervene in English politics and find a place to call home. Native tales reveal the links to famous Vikings like Ragnar Lothbrok and his sons; Cnut; and Havelok the Dane. Each myth shows how the legacy of the newcomers can still be traced in landscape, place-names and local history. This book uncovers the remarkable degree to which England is Viking to its core. She was sent to destroy him, but she was the love he'd waited all eternity to find. The long awaited book 5 in the best selling Dark Gardens series by Meara Platt has arrived!! The Stone of Draloch has prophesied a great war within the five underworld realms, pitting the Dragon Lords against each other. Dragon Lord Mordain must choose which side to take, that of the powerful High King Brihann who has now raised an army of the darkest forces ever to exist, or that of Dragon Lord Bloodaxe and his brother, Saron, the Duke of Draloch, who are the two black dragons desperately fighting to save their world and those of man and Fae. The pull toward darkness is strong in Mordain, for he is the son of the Fallen Angel. But there is a mysterious mortal girl who has entered his life, and the tug of love is perhaps stronger than any dark force in existence. But who is Aideen Pengalon, this girl whose name means little fire? Will she be the one to destroy him or is she destined to be his salvation? Aideen Pengalon grew up in a Yorkshire orphanage and has no idea who she is or where she belongs, but it cannot possibly be in the arms of Lucien Mordain, a dragon shifter duke of the underworld who claims she is an angel and has powers greater than his own. The Stone of Draloch has shown her the future and in it she is killing Lucien. How can this be? Her heart cries out for him, the mighty red dragon who rules one of the five underworld realms. He calls her little fire and insists he will never harm her because she is his dragon mate and their souls are bound to each other. But how can he ignore what the Stone of Draloch has shown them? Romance Qurilixen World Novels Dragon Lords 5-8 Box Set Includes: His Highness the Duke The Stubborn Lord The Reluctant Lord The Impatient Lord About the Series Books 5 – 8 The Noblemen dragon shifter brothers aren't new to the sacred Qurilixian bridal ceremony. After several failed attempts at finding a wife, it's hard to get excited about yet another festival. No matter how honorably they try to live, it would seem fate thinks them unworthy of such happiness... that is until now. With very few words spoken and the shortest, most bizarre courtship in history, these dragons will bond to their women forever. And once bonded, these men won't let go... Book 5: His Highness the Duke Aeron wants nothing more than to live out her very long, solitary life in a small metal room listening to communications for the Federation Military. It's not glamorous. It's not even charming. But it's safe and there's no chance of getting hurt. When she intercepts a communication about an impending attack on the Qurilixian people, she has no choice but to act. Dragon-shifter nobleman Lord Bron, is not looking forward to his seventh failed attempt at a marriage ceremony. But when he sees the lovely Aeron he knows his years of waiting have finally paid off. Fate has blessed him with a life mate... Or have they? Book 6: The Stubborn Lord Kendall Haven's life turns upside down when she's taken from her fueling dock home by thugs. Her gambler father used her to cover his losses. Treated like cargo, she's sold to the highest bidder--an alien bride procurement agency. Dragon-shifter nobleman Lord Alek has not been lucky in finding his life mate. Resigned to a lonely life, he attends the bridal ceremony out of familial duty. Then the impossible happens--Kendall. Nothing goes according to tradition, but he can't let that dissuade him. She is this dragon noble's only chance at happiness and he's not going to let her get away. Book 7: The Reluctant Lord Lady Clara of the Redding, a living statue of perfection, has been raised a true Redde noblewoman. She has been taught to never show emotion, to never raise her voice, to touch as little as possible, and to never act wildly or rashly. After Clara denies all suitable males on her home world, her parents are left with one choice--send her to a primitive place where several alien noblemen await mates. The men hardly appear picky about their choices, and her parents think it a perfect arrangement for a reluctant bride. Dragon-shifter Lord Vladan is not like his noble brothers. Adopted into their family after a mining accident killed his parents, he is every bit as titled as his new brothers, and every bit as welcome into the fold. Yet he can't help but feel the pull of his commoner past. He loves his family, and will always do as duty demands, but a part of him still yearns to shift into dragon form and run free in the wild.

It is a side he indulges every chance he gets. This is how he knows his bride will be the most wild of creatures, for he wants passion, not perfection. Surely the gods are mistaken when they bind him to the most refined, reserved, frustratingly perfect creature in the universe. Book 8: The Impatient Lord Riona Grey lives life on her own terms, traveling wherever the next spaceship is flying and doing what she must to get by. When her luck turns sour, she finds herself on a bridal ship heading to a marriage ceremony. A planet of primitive shifters seeking mates wasn't exactly what she had in mind as a final destination. Just when she thinks things couldn't possibly get worse, she wakes up months later in an isolation chamber with a sexy, hovering dragon shifter telling her they're meant to be together...forever. About the Series: The dragonshifting princes have no problem with

commitment. In one night, they will meet and choose their life mate in a simplistic ceremony involving the removing of masks and the crushing of crystals. With very few words spoken and the shortest, most bizarre courtship in history, they will bond to their women forever. And once bonded, these men don't let go... Too bad nobody explained this to their brides. Dragons are rising... and behind the beasts is a sinister group, led by the will of their ancestors, waiting for centuries, until the time to rise. The four Dragon Lords lurk in shadow and mystery, guiding events to bring about their rise to power and the domination of the known world. Their power grows with each passing day. The terror of their vicious beasts fills every land with fear and darkness. But behind the scenes, carefully hidden, an unlikely group of brave souls rises as well. Their aim: to destroy the Dragon Lords and their fearsome beasts before every land is subjected to their evil. Led by a young man haunted by a childhood encounter with a great red dragon, each of them is destined to discover that danger not only rises from the Dragon Masters, but also from their own sordid pasts. They know the danger. But they also know what will happen to their families and the land they love if the evil of the Dragon Lords is not stopped.
