**Seeing and savouring Jesus
Christ** May 14 2021 Who is
Jesus Christ? You've never met
Him in person, and you don't
know anyone who has. But
there is a way to know who he
is. How? Jesus Christ - the
divine Person revealed in the
Bible - has a unique excellence
and a spiritual beauty that
speaks directly to our souls and
says, "Yes, this is truth." It's
like seeing the sun and

knowing that it is light, or
tasting honey and knowing that
it is sweet. The depth and
complexity of Jesus shatter our
simple mental frameworks. He
baffled proud scribes with his
wisdom but was understood
and loved by children. He
calmed a raging storm with a
word but would not get himself
down from the cross. Look at
the Jesus of the Bible. Keep
your eyes open, and fill them
with the portrait of Jesus in
God's Word. Jesus said, "If
anyone's will is to do God's will,
He will know whether the
teaching is from God or
whether I am speaking on my
own authority." Ask God for the
grace to do His will, and you
will see the truth of His Son.
John Piper has written this
book in the hope that all will
see Jesus for who he really is
and will come to enjoy him
above all else.

Song of Souls Sep 17 2021
Nobody can resist his call....
not even her... The Piper's
music is alive, drawing souls

from the world of the living to
the domain of Death. Those
who hear him have no choice
but to follow - when the Piper
calls you, you will do as you are
told. Everything changes...even
the unchangeable... Autumn is
on the run from the Cult of the
Hundred after witnessing
something she should never
have seen. She's fighting for
survival; she doesn't have time
for distractions. That is, until
she meets a man nobody but
her can see. When he speaks,
her body does what the Piper
commands, but she's not going
to accept that. Not at all. A new
song has begun... He's played
his tune for a hundred years,
but no living human has ever
seen him. Until Autumn. His
music is only supposed to
control those destined to leave
this world, but to make Autumn
stay with him, he might have to
change the rules. Forever. Set
in the same world as the Catnip
Assassins urban fantasy series,
this Pied Piper retelling will
sing to fans of Laura Thalassa
and C.N.Crawford. Part of the
Once Upon A Fairy Tale Night
Series, a collection of multi-
author fairy tale romance
retellings.

Of Blood and Monsters Mar 24
2022 The third book in the
Piper Lancaster series by D.G.

friends to hell for defying
Okeus, the god of war and hell,

a threat her band of battered and weary defenders is nowhere near strong enough to hold off. To add to her worries, a crescent moon is destined to appear on her left palm that will compel her to kill Kieran Abel, the demi-god son of Okeus. Now that Okeus has discovered his long coveted human son, he will torture Piper for eons if she follows through. But she can't ignore her new inexplicable craving for demon souls. With every monster she kills, her power grows and she feels herself turning darker. Time is running out and Piper will do anything to protect those she loves, even if it means risking her own soul.

Jesus, the Only Way to God

Jan 22 2022 If the evangelical church at large was ever too confrontational in its evangelism, those days are gone. In our shrinking, pluralistic world, the belief that Jesus is the only way of salvation is increasingly called arrogant and even hateful. In the face of this criticism, many shrink back from affirming the global necessity of knowing and believing in Jesus. In *Jesus, the Only Way to God*, John Piper offers a timely plea for the evangelical church to consider what is at stake in surrendering the unique, universal place of Jesus in salvation.

Operation Wandering Soul Oct 26 2019 A NATIONAL BOOK AWARD FINALIST In the paediatrics ward of a public hospital, a group of sick children is gathering. The surrogate parents of this band - a tired, overworked surgical

resident and his physiotherapist - are charged with prolonging their lives using storytelling and make-believe alone. 'Richard Powers is the most intellectually stimulating novelist at work in the English language today' Daily Telegraph

The Life of God in the Soul of Man Mar 12 2021

Coronavirus and Christ Jun 26 2022 "This is a time when the fragile form of this world is felt. The seemingly solid foundations are shaking. The question we should be asking is, Do we have a Rock under our feet? A Rock that cannot be shaken—ever?" —John Piper On January 11, 2020, a novel coronavirus (COVID-19) reportedly claimed its first victim in the Hubei province of China. By March 11, 2020, the World Health Organization had declared a global pandemic. In the midst of this fear and uncertainty, it is natural to

wonder what God is doing. In *Coronavirus and Christ*, John Piper invites readers around the world to stand on the solid Rock, who is Jesus Christ, in whom our souls can be sustained by the sovereign God who ordains, governs, and reigns over all things to accomplish his wise and good purposes for those who trust in him. What is God doing through the coronavirus? Piper offers six biblical answers to that question, showing us that God is at work in this moment in history.

The Rats of Hamelin Sep 05 2020 "In that scented, touch-filled Pipeworld, where notes speak clear as words, where connections are thick and countless, I felt the chaining up and circling together of other traces in my head. And as the Pipe amplified all sounds and souls, including mine, I heard my mind echoing: the mission is dead- No rat-kill, no reward, no liberation. No home, no Hofmanns, no Klara- It was all an illusion." *The Rats of Hamelin* blends history and fantasy to reshape the hazy legend of the pied piper. After six years as a piper's apprentice, Hannes sets out on the mission that will make him a master in the guild. His orders seem simple enough: rid Hamelin of a plague of rats and use the reward money for a charitable cause. Simple indeed, until he discovers that the real rats of Hamelin aren't the ones scurrying underfoot. Unsure who to count among his friends- the mayor's beautiful daughter, generous businessman, a precocious little girl? Hannes struggles

against deadly enemies and thoughtless allies. Every step he takes comes down to a deceptively simple choice: when to show mercy and when to bring justice. Readers will be thrilled with this first novel by Adam and Keith McCune. This father-son team bring a wealth of linguistic and literary knowledge to bear on their retelling of the famous Pied Piper fairy tale. The story naturally lends itself to reflection on the themes of law and mercy, as well as the sometimes-complex nature of the relationship between fathers and sons.

After a near-deadly scandal with the Sahar Stone, she has the chance to return to the only life she's ever wanted. All she has to do to keep her Apprenticeship is forget about Ash and Lyre. Ash might be enigmatic and notoriously lethal, and Lyre might be as sinfully irresistible as he is irritating, but they're not bad for a couple of daemons.

There's just one problem: Ash is missing. Really, she shouldn't risk her future for him. He lied. He betrayed her. But he also saved her life, damn it. Wherever he is, he's in trouble, and if she doesn't save his sorry butt, who will? The Satisfied Soul Apr 24

2022 “May these meditations become in your life the living embodiment of God’s Word and penetrate to the deep places of your soul. God has a good work to do there.” –John Piper **ONLY GOD CAN SATISFY YOUR SOUL.** Every day, the world takes another step away from God’s truth and into greater moral and spiritual relativism. If your view of life is fed by a steady diet of television news and popular opinion, you’ll find yourself starved, parched, and confused. But there is a way for your soul to be satisfied and at peace during these turbulent times. The answer is to turn those hungers, questions, and desires towards God. These meditations offer a daily serving of God’s Word along with practical insights from beloved pastor and author John Piper. Each reading reorients you to the eternal rather than the popular. In a world where ephemeral feelings are valued more than firm facts and eternal joys, each selection will awaken you to the truth of who God is—and who you are. These 120 devotional readings celebrate God’s sovereignty in every aspect of our world, from how to feed our soul, the danger of hero worship, and loving our enemies, to suffering, having a passion for purity, and ways we can be a refuge for our children. This collection offers a daily feast of truth and wisdom that places God right where He belongs—at the center of our lives. These meditations originally appeared in John Piper’s *Pierced by the Word*,

Life as a Vapor, and *A Godward Heart*. **YOU ARE INVITED TO ENJOY THE RAREST OF TREASURES...** The world tries to distract our minds. Deaden our hearts. Water down our beliefs. If there are no absolutes, then we can pursue whatever tickles our fancy. We are the captain of our destiny. But, sadly, the result is that we remain hopelessly adrift in a constantly changing sea of confusion. There is a better answer: Rather than numb our soul, we can fully satisfy it. Instead of letting the world squeeze us into its mold, we can be molded into sons and daughters of God. The solution is to feast on God’s Word and drink deep from His river of life. These daily meditations invite us into this central promise about God: You are good and do good; Teach me your statutes. –Psalm 119:68 Discover the supremacy of God in every area of your life...and as the only source of a truly satisfied soul.

The Pleasures of God Nov 27

2019 The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn’t it true—we really don’t know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it’s only when we know what makes God glad that we’ll know the greatness of His glory. Therefore, we must comprehend “the pleasures of

God." Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by World Magazine as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. "This is a unique and precious book that everybody should read more than once." —J.I. PACKER, Regent College, Vancouver, British Columbia

A Hunger for God Apr 12 2021 There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction

of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

Book of Souls Dec 01 2022 Book of Souls picks up the action where the international sensation Library of the Dead left off. Will Piper's life has been forever changed by the astonishing secret he discovered at the government's clandestine installation deep under the Nevada desert. His uneasy retirement from the FBI is interrupted when a long-missing book surfaces at an auction house in London. A group of ex-Area 51 employees recruits Will to assist them in obtaining the book and in helping them solve a mystery that will affect the fate of all mankind. As government operatives try to stop him, Will discovers that the ancient missing volume has had a profound effect on history. Remarkably, a newly found puzzle sonnet by a young William Shakespeare seems to have been inspired by the book. As Will peels back the onion to solve a series of clues hidden in the poem, he finds the book influenced not only Shakespeare but also the religious philosophy of John Calvin, the father of predestination, and the prophesies of the seer Nostradamus. When the final clue yields the ultimate secret, Will is forced to confront a truth that humanity may not be prepared to accept.
Book Was There Aug 05 2020 Andrew Piper grew up liking books and loving computers. While occasionally burying his nose in books, he was going to computer camp, programming

his Radio Shack TRS-80, and playing Pong. His eventual love of reading made him a historian of the book and a connoisseur of print, but as a card-carrying member of the first digital generation—and the father of two digital natives—he understands that we live in electronic times. *Book Was There* is Piper's surprising and always entertaining essay on reading in an e-reader world. Much ink has been spilled lamenting or championing the decline of printed books, but Piper shows that the rich history of reading itself offers unexpected clues to what lies in store for books, print or digital. From medieval manuscript books to today's playable media and interactive urban fictions, Piper explores the manifold ways that physical media have shaped how we read, while also observing his own children as they face the struggles and triumphs of learning to read. In doing so, he uncovers the intimate connections we develop with our reading materials—how we hold them, look at them, share them, play with them, and even where we read them—and shows how reading is interwoven with our experiences in life. Piper reveals that reading's many identities, past and present, on page and on screen, are the key to helping us understand the kind of reading we care about and how new technologies will—and will not—change old habits. Contending that our experience of reading belies naive generalizations about the future of books, *Book Was*

There is an elegantly argued and thoroughly up-to-date tribute to the endurance of books in our ever-evolving digital world.

Library of the Dead Oct 19 2021 Originally published as *Secret of the Seventh Son*. Assigned to the high-profile "Doomsday" serial killer case, FBI agent Will Piper is hitting dead end after dead end. The victims seem to have nothing in common: age, background, or even the way they die. All that connects them is a postcard each received in the mail announcing his or her date of death—all sent from Las Vegas, where a brilliant computer scientist leads a double life.

Just when agent Piper finds a credible lead, he's removed from the case. Continuing the investigation on his own, he must outwit a ruthless team of covert operatives from Area 51 protecting the government's greatest secret. From a medieval monastery to a cutting-edge government laboratory, *Library of the Dead* delivers a richly detailed, thought-provoking exploration of fate, predestination, and the choices we make in life. ***The Pied Piper of Hamelin At the Crossroads Of History, Religion and Literature*** Aug 24 2019 Even if we were to discover the historical truth about the origin of the legend of the Pied Piper of Hamelin, we still would not explain why its appeal to the imagination of artists and poets has been so extensive and the span of interpretations placed on the figure so divergent. The author of this book believes that the principle of reciprocity must be taken into account and this reflects the duality of the mind with its conscious and subconscious aspects. Can we align the Pied Piper with Ulysses and Gilgamesh on the basis of the mythology of the sun and its wandering surrogates as they journey through the night in quest of the anima, the eternal female? ***Song of Souls*** Oct 31 2022 Nobody can resist his call... not even her...
