Loose-Leaf Managerial Accounting Nov 30 2022 The emphasis of Managerial Accounting, 9th edition is on teaching students to use accounting information to best manage an organization. In a practice Hilton pioneered in the first edition, each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. Known for balanced examples of Service, Retail, Nonprofit and Manufacturing companies, Hilton offers a clear, engaging writing style that has been praised by instructors and students alike. As in previous editions, there is significant coverage of contemporary topics such as activity-based costing, target costing, the value chain, customer profitability analysis, and throughput costing while also including traditional topics such as job-order costing, budgeting and performance evaluation.

The Cultural Encyclopedia of Baseball, 2d ed. Jul 03 2020 More than any other sport, baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game, while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major Leagues' decision to integrate, and the words and phrases of the game (for example, pinch-hitter and out in left field) have become common in our everyday language. From AARON, HENRY onward, this book covers all of what might be called the cultural aspects of baseball (as opposed to the number-rich statistical information so widely available elsewhere). Biographical sketches of all Hall of Fame players, owners, executives and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners and league presidents. Advertising, agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.

Management Accounting, 9th Edition Mar 23 2022 Developed for an Australian and New Zealand audience, Management Accounting 9e explains the contemporary role of management accounting. It takes a broad perspective in viewing management accounting as the efficient and effective use of resources, demonstrating how it creates and enhances value for customers and shareholders, as well as the wider aspects of business. The text has been developed using cases based on real Australian and international businesses, and includes numerous 'Real Life' illustrations of current management accounting practices. In keeping with the need to be industry focused, the new edition includes coverage of key contemporary topics including data analytics, big data and business ethics. Highlights include: Coverage of contemporary topics including data analytics, big data and business ethics; Real Life cases that reflect the growing global nature of business and Australia's role in our region; End of Chapter exercises and problems including algorithmic questions; and comprehensive Instructor Resource Manual.

The British Marxist Historians Sep 16 2021 The British Marxist Historians remains the first and most complete study of the founders of one of the most influential contemporary academic traditions in history and social theory. In this classic text, Kaye looks at Maurice Dobb and the debate on the transition to capitalism; Rodney Hilton on feudalism and the English peasantry; Christopher Hill on the English Revolution; Eric Hobsbawm on workers, peasants and world history; and E.P. Thompson on the making of the English working class. Kaye compares their perspective on history with other approaches, such as that of the French Annales school, and concludes with a discussion of the British Marxist historians' contribution to the formation of a democratic historical consciousness. The British Marxist Historians is an indispensable book for anyone interested in the intellectual history of the late twentieth century.

The hall of Lawford hall, records of an Essex house and of its proprietors from the Saxon times to the reign of Henry viii [by F.M. Nichols.]. Jan 21 2022

Management Accounting Jun 01 2020 This new Southern African edition of Kim Langfield-Smith and Helen Thorne's best-selling Australian Management Accounting text explains the contemporary role of management accounting in organisations - supporting a company's quest for enhancing shareholder and customer value. The effective management of resources, both financial and non-financial, is essential to creating value. Retaining the strategic approach and comprehensive coverage but thoroughly adapted for Southern Africa, Management Accounting Southern African edition is suitable for the one- or two-semester undergraduate course, and is ideal for use over two years of study.

The House of Commons, 1509-1558 Jan 09 2021 Over 2.260 biographical articles and 218 constituency articles are included in this three volume set of the History of Parliament in the first half of the sixteenth century. Among the biographies are those of Sir Thomas More and Thomas Cromwell; and despite the difficulty of obtaining information about these early parliaments - the official returns for many of the early parliaments or Henry VIII are lost and such names as can be found have often had to be reconstructed from civil, municipal and parish records - many of the lesser figures are

also included. They were published without the normal introductory survey following the death of the editor of the volumes, S. T. Bindoff.

Explorer's Guide Charleston, Savannah & Coastal Islands (9th Edition) Aug 28 2022 Gracious history and modern luxuries in an exquisite natural setting Charleston has become the most compelling destination in the coastal South for people who are serious about food and cooking. Meanwhile, Savannah has the nation's largest registered Urban Historic District, with a booming arts and film community to bring the past to life. This latest Explorer's Guide is the best source for information on Charleston's farm-to-table scene and Savannah's artistic culture. And not to be missed: the area's rural Coastal Islands hold rich history and the opportunity to learn more about the Gullah-Geechee culture of formerly enslaved Africans. Stay in romantic inns or luxurious resorts and dine on regional delicacies like oysters and quail. Whether you're visiting for a long weekend or renting a cottage for a week, see why Charleston, Savannah, and the historic small towns in between are beloved by residents and continue to enchant visitors.

Corporate Criminal Investigations and Prosecutions Aug 04 2020 Buy a new version of this textbook and receive access to the Connected eBook on CasebookConnect, including: lifetime access to the online ebook with highlight, annotation, and search capabilities, plus an outline tool and other helpful resources. Connected eBooks provide what you need most to be successful in your law school classes. *Corporate Criminal Investigations and Prosecutions* provides readers a comprehensive understanding of the process behind the investigation, prosecution, and resolution of criminal charges against organizations. Over the past two decades, corporate criminal liability has developed into one of the fastest-growing and most dynamic areas of legal practice. The growth of corporate criminal enforcement has correlated with a broad shift in how the government investigates and resolves corporate criminal violations. As a result of these developments, the practice of investigating, prosecuting, and resolving corporate criminal cases has many significant differences from other areas of criminal or civil law. Notably, one of the most significant aspects that distinguishes corporate criminal practice is that much of it occurs outside of the formal judicial system; nearly all DOJ corporate criminal matters are resolved through negotiated settlements, and very few cases involve court proceedings or go to trial. As a result, many parts of this practice remain relatively unknown to students and practitioners. Until now. With the publication of this book, authors Leo Tsao, Daniel Kahn, and Eugene Soltes, whose resumes collectively reflect the highest levels of practice and expertise in this field, open a window into all aspects of corporate criminal investigations and prosecutions. Professors and students will benefit from: The authors bring a unique perspective and unparalleled qualifications to the subject of corporate criminal liability. Daniel Kahn is the former acting Deputy Assistant Attorney General of the Criminal Division and former Chief of the Fraud Section and FCPA Unit. Leo Tsao is the former Principal Deputy Chief of the Money Laundering and Asset Recovery Section and has held supervisory positions in the Bank Integrity Unit and FCPA Unit within the DOJ's Criminal Division. Eugene Soltes is a professor at Harvard Business School, and regularly teaches and advises companies on corporate integrity, organizational cultures, and compliance systems. Comprehensive coverage: Part One addresses topics that are generally applicable to all corporate criminal cases, such as the legal principles underlying corporate criminal liability; the individual liability of corporate officers for corporate crimes; and the constitutional rights of criminal corporate defendants—to name a few. Part Two addresses specific categories of federal crimes commonly used to charge corporate defendants, such as conspiracy, the FCPA, the Bank Secrecy Act, antitrust laws, and RICO. Part Two also provides insights into criminal activity and law enforcement within the technology sector as it pertains to virtual currency (e.g., Bitcoin). Extensive online resources include discussion questions, and relevant case material for key chapters

The Billboard Book of Top 40 Hits, 9th Edition Feb 28 2020 The Essential Reference Guide to America's Most Popular Songs and Artists Spanning More than Fifty Years of Music Beginning with Bill Haley & His Comets' seminal "Rock Around the Clock" all the way up to Lady Gaga and her glammed-out "Poker face," this updated and unparalleled resource contains the most complete chart information on every artist and song to hit Billboard's Top 40 pop singles chart all the way back to 1955. Inside, you'll find all of the biggest-selling, most-played hits for the past six decades. Each alphabetized artist entry includes biographical info, the date their single reached the Top 40, the song's highest position, and the number of weeks on the charts, as well as the original record label and catalog number. Other sections—such as "Record Holders," "Top Artists by Decade," and "#1 Singles 1955-2009"—make *The Billboard Book of Top 40 Hits* the handiest and most indispensable music reference for record collectors, trivia enthusiasts, industry professionals and pop music fans alike. Did you know? • Beyoncé's 2003 hit "Crazy in Love" spent 24 weeks in the Top 40 and eight of them in the #1 spot. • Billy Idol has had a total of nine Top 40 hits over his career, the last being "Cradle of Love" in 1990. • Of Madonna's twelve #1 hits, her 1994 single "Take a Bow" held the spot the longest, for seven weeks—one week longer than her 1984 smash "Like a Virgin." • Marvin Gaye's song "Sexual Healing" spent 15 weeks at #3 in 1982, while the same song was #1 on the R&B chart for 10 weeks. • Male vocal group Boyz II Men had three of the biggest chart hits of all time during the 1990s. • The Grateful Dead finally enjoyed a Top 10 single in 1987 after 20 years of touring. • Janet Jackson has scored an impressive 39 Top 40 hits—one more than her megastar brother Michael!
