THE ORIGINAL TEXT 'Shoot all the Bluejays you want, if you can hit 'em, but remember it's a sin to kill a Mockingbird.' Atticus Finch gives this advice to his children as he defends the real mockingbird of this classic novel - a black man charged with attacking a white girl. Through the eyes of Scout and Jem Finch, Lee explores the issues of race and class in the Deep South of the 1930s with compassion and humour. She also creates one of the great heroes of literature in their father, whose lone struggle for justice pricks the conscience of a town steeped in prejudice and hypocrisy. Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama. An annual index to the monographs appears early in the following year. There are gods in Alabama. I know because I killed one. When Lena Fleet

goes to college, she makes three promises to God: she will stop sleeping with every boy she meets; she will never tell another lie; and she will never, ever go back to her hometown in Alabama. All she wants from God in return is that He makes sure the body is never found . . . But ten years later, it looks like God's going back on His deal. Lena's high school archenemy appears on her doorstep, looking for the golden haired football god who disappeared during their senior year. To make matters worse, her African American boyfriend has issued her with an ultimatum - introduce him to her lily-white family or he's gone. While she would rather burn in a fire than let him meet her steel magnolia Aunt Florence, her half-mad Mama, her sweet-as-pie cousin Clarice and the rest of her eccentric and racist family, Lena realises it is time to go home to Alabama and confront the past once and for all. As she digs through guilt and deception, she discovers how far she will go for love and a chance at redemption.
