Governors in the United States are becoming prime policy makers in state and national politics. They preside over vast and increasingly important administrative structures through numerous appointments of key personnel and the management of growing budgets. Governors provide leadership for state legislatures by advocating their policy agendas, and by mobilizing public opinion and political resources. Through these roles, governors have far reaching influence in citizen's daily lives. This work examines these major political leaders by closely examining the careers of five recent governors (1960D2001): - Terry Sanford (1961D1965) - Robert (Bob) W. Scott (1969D1973) - James E. (Jim) Holshouser Jr. (1973D1977) - James G. (Jim) Martin (1985D1993) - James B. (Jim) Hunt Jr. (1977D1985; 1993D2001) ...and compares their performances in office with governors in other states. No other book has looked as closely at the persons who serve as governors during this time period. Griffith's name appears first on the earlier ed. Our study guide is organized by our expert author as a review of key topics and concepts you will need to pass. Focused on the CIMA® program from the Investments and Wealth Institute to ensure you are grasping the important, related concepts as efficiently as possible. Created by our expert instructor to help you connect topics across the curriculum and focus on the key weighted areas. Sudan South Country Study Guide Volume 1 Strategic Information and Developments - Everything you need to know about the country - Geography, history, politics, economy, business, etc. The South Carolina Encyclopedia Guide to South Carolina Governors documents the lives and careers of the 111 white men and one Indian American woman who have held the Palmetto State's highest office from 1669 to the present. This digital edition expands the listings from the print encyclopedia to include entries on appointed as well as elected governors and to update the biographies of more recent holders of the office. From the first proprietary governor, William Sayle, to current governor Nikki Haley, South Carolina's chief executives have wielded the authority to define the preservation and progress of the state through its complex and storied past, with each leaving his or her mark on the dynamic legacy of the governor's office. C. L. Crouch and Christopher B. Hays introduce the Book of Isaiah in its diverse historical contexts, tracing its origins and development over several centuries: beginning with the career of the prophet Isaiah ben Amoz in eighth century Jerusalem, continuing with a late seventh century edition and the further revisions made in the late sixth century, and concluding with final shaping during the Persian Period. At each stage Crouch and Hays pay close attention to the historical, cultural, and theological conversations that influenced the book's aims and interests. Crouch and Hays discuss the theological and literary continuities among the book's contributors, as well as where language and concerns differed from generation to generation. They also consider the reception history of Isaiah and what the text has meant to people through history. With suggestions of further reading at the end of each chapter, this guide will be an essential accompaniment to study of the Book of Isaiah. The Governance Handbook for SEND and Inclusion supports governors and trustees in developing effective strategic practice to ensure an inclusive culture in their schools. Building on the six principles of effective governance, it provides useful tips on achieving the right balance of support and challenge so that schools are enabled to meet the needs of learners with SEND (Special Educational Needs and/or Disabilities). Relevant for all governors and trustees across primary and secondary schools, multi-academy trusts and specialist settings, the book focuses on the role and expectations of governance in relation to SEND and inclusion. It includes: An introduction to SEND, inclusion and the six key features of effective governance Practical advice and guidance for SEND Governors and trustees on how to strategically monitor and review SEND provision A discussion of how the relationship between SENCOs, SEND Governors and Headteachers works in practice Advice on developing an inclusive culture in your school Sources of ongoing support and resources from professional organisations and websites. This book will be beneficial to all education professionals working at a strategic

level, including governors and trustees, school leaders and SENCOs. It recognises the central role that governors and trustees play in setting the inclusive ethos of a school and suggests ways to ensure that strategic practice is as effective as possible. This guide to Ezra and Nehemiah showcases the latest developments and most up-to-date scholarship on these important texts. Ezra and Nehemiah tell the story of the people in Yehud in the 6th and the 5th centuries BCE. This was a time of economic hardship. The people living in and around Jerusalem were scratching out a living in a land that had been devastated by war. It was also a time of soul searching. Having lost their political autonomy and national identity, the people in Yehud had to find new ways of understanding and shaping their identity. Ezra and Nehemiah provide glimpses of these issues by way of an assortment of narratives, lists, letters, and other types of records. The readers encounter different voices and different opinions. Lena-Sofia Tiemeyer provides an overview of the various texts and the topics, concerns, and disputes that they reflect. The guide also zooms in on select key issues pertaining to the development of the text, its historical background(s), the quest for identity, and its afterlife in Jewish and Christian traditions. SCM Study Guide: New Testament Books, together with its companion volume on "New Testament Interpretation", offers an up-to-date, accessible introduction to this fast-changing area of theological study. Aimed at level one students, it encourages interaction with the New Testament texts and provides pointers for further reading and learning. The book describes the world out of which the New Testament came, and what can be known of the key figures of Jesus and Paul, before discussing the 27 books in turn. At every stage, attention is paid to the range of questions New Testament interpretation raises - historical, literary, theological - with worked examples from specific passages. Topics of particular interest include: What can be known about Jesus? Why are there four gospels? What is the Legacy of Paul? Does Revelation predict the End of the World? The final edition on the Old Testament in a three-volume series includes nearly all of the Old Testament prophets, their teachings and warnings to their people, and their prophecies of the coming of the Messiah and the latter days. The first volume in the series begins with a discussion of the importance of studying the Old Testament, and the role of Jesus Christ in the Plan of Salvation and his selection as savior in the premortal council in heaven. Tonga Country Study Guide - Strategic Informtion and Developments This study guide provides twenty-two studies, one for each chapter of J. I. Packer's classic Knowing God. Syria Country Study Guide - Strategic Informtion and Developments Volume 1 Strategic Information and Developments The Business Environment and Concepts Volume of the Wiley CPA Examination Study Guides arms readers with detailed outlines and study guidelines, plus skill-building problems and solutions, that help the CPA candidates identify, focus on, and master the specific topics that need the most work. The second edition of the Impact Evaluation in Practice handbook is a comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development. To accomplish your course goals, use this study guide to enhance your understanding of the text content and to be better prepared for quizzes and tests. This convenient manual helps you assimilate and master the information encountered in the text through the use of practice exercises and applications, comprehensive review tools, and additional helpful resources. The Student Study Guide is an important and unique component that is available for each of the eight books in The World in Ancient Times series. Each of the Student Study Guides is designed to be used with the student book at school or sent home for homework assignments. The activities in the Student Study Guide will help students get the most out of their history books. Each Student Study Guide includes chapter-by-chapter two-page lessons that use a variety of interesting activities to help a student master history and develop important reading and study skills.
